#### REVISED INDEPENDENT AUDITORS' REPORT

The Members of

#### ANDHRA PRADESH HEAVY MACHINERY AND ENGINEERING LIMITED

Date: 04 December 2024

#### **Revised Report on the Audit of Financial Statements**

We have issued an audit report dated 18 July 2024 on the Financial Statements for the year ended 31 March 2024 which was submitted by the company to the office of the Principal Accountant General (Audit), Andhra Pradesh. In Pursuant to provisioal Comments of Comptroller and Auditor General of India issued by the office of the Principal Accountant General (Audit), Andhra Pradesh consequent to supplementary Audit under section 143(6)(a) of Companies Act, 2013 wide Letter Number: PAG(AUDIT)/AMG-II/ITC/TSC-1/APHMEL-FY24/87-2024/460 dated 26.11.2024 and Our Report dated 18 July 2024 and 12 November 2024 has been revised to give effect to the preliminary observations / Provisional Comments.

The Office of the Principal Accountant General (Audit) has conducted the supplementary audit of the Company and gave their provisional comments on the financial statements of the Company under section 143(6)(b) of the Companies Act, 2013, dated 26 November 2024. In the light of the siad provisional comments, which are-

- (i) Overstatement of profit by Rs.36.33 Lakhs owing to accounting treatment of invoked Bank Guarantee as receivable from Southeastern Coal Fields Limited.
- (ii) Non-Disclosure of information regarding Bank Guarantees, validity, purpose and third-party in whose favour the Bank Guarantee was issued.
- (iii) Understatement of profit by Rs.10.49 lakhs owing to treatment of software expenses as revenue expenses instead of Capitalising the same as Intangible Asset as per Ind As 38.
- (iv) Omission to mention the reported date as 31/03/2024.

No Changes were made in the financial statements for the year ended 31 March 2024 which were approved by the Board of Directors and audited by us.

This report supersedes our earlier report dated 18 July 2024 (UDIN:24210576BJZXMR5314) on the Financial Statement of M/s Andhra Pradesh Heavy Machinery and Engineering Limited ("the Company") for the year ended 31 March 2024.

#### **Qualified Opinion**

We have audited the accompanying Financial Statement of **M/s ANDHRA PRADESH HEAVY MACHINERY AND ENGINEERING LIMITED,** which comprise the Balance Sheet as at 31 March 2024, the statement of Profit and Loss and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter desribed in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024 and Profit and Loss, and its Cash Flows for the year ended on that date.

#### **Basis for Qualified Opinion**

- (1) During the year, one of the customers of the Comapny M/s Southeastern Coalfields Limited (SECL) has encashed bank guarantee of Rs.36.33 lakhs provided by the Company, due to its failure to comply with contractual terms for supply, installation and commissioning of one Rail Car Man Riding System. The Company, instead of writing of the same as expenditure, has shown the amount of Rs.36.33 lakhs as Security Deposit under Other financial Assets in the Balance Sheet. As a result, the expenditure of the Company for the year has been understated, with a consequential overstatement of profit by an amount of Rs.36.33 lakhs; and an overstatement of Current Assets by the same amount.
- (2) During the year, the Company has written off the expenditure of Rs.10.40 lakh incurred for the acquisition of new 'cloud-based database management system software', instead of capitalising the same. As a result, expenditure for the year is overstated and consequently, the profit for the year is understated by an amount of Rs.10.40 lakhs; and the Intangible Assets in the Balance Sheet is under stated by the same amount.

However, this software being an intangible asset of an indefinite life period, need not be amortised in terms of para (X) of the Ind AS 38 Therefore, there is no effect on the depreciation/amortisation for the year.

The financial effect of the matters specified in the above qualifications, to the extent they are quantifiable is as under:

| SI.<br>No. | Description            | Item in the Basis<br>for qualified<br>opinion para | Effect on financials<br>Rs. in Lakhs |             |  |

|            |                        |  | Overstated                           | Understated |  |
| 1.         | Other Expenses         | (1)  |                                      | 36.33       |  |
| 2.         | Other Financial Assets | (1)  | 36.33                                |             |  |
| 3.         | Other Expenses         | (2)  | 10.40                                |             |  |
| 4.         | Intangible Assets      | (2)  |                                      | 10.40       |  |

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### **KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and

we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

# RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

#### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
  that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in
  a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

#### ANNEXURE B: to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with respect to the Financial Statements of ANDHRA PRADESH HEAVY MACHINERY AND ENGINEERING LIMITED ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with respect to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with respect to Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls with respect to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

REPLIES OF THE MANAGEMENT TO THE QUALIFIED OPINION OF STATUTORY AUDITORS M/S ANNADEVARA ASSOCIATES AS CONTAINED IN THE REVISED AUDITORS' REPORT AND ANNEXURE TO THE REPORT BOTH DATED 04-12-2024, WHICH WAS RECEIVED BY THE COMPANY ON 09.12.2024.

# QUALIFIED OPINION AS PER THE REVISED AUDITORS' REPORT

# 1. During the year, one of the customers of the Company M/s Southeastern Coalfields Limited (SECL) has encashed bank guarantee of Rs.36.33 lakhs provided by the Company, due to its failure to comply with contractual terms for supply, installation and commissioning of one Rail Car Man Riding System. The Company, instead of writing off the same as expenditure, has shown the amount of Rs.36.33 lakhs as Security Deposit under Other Financial Assets in the Balance Sheet. As a result, the expenditure of the Company for the year has been understated, with a consequential overstatement of profit by an amount of Rs.36.33 lakhs; and an overstatement of Current Assets by the same amount.

# 2. During the year, the Company has written off the expenditure of Rs.10.40 lakh incurred for the acquisition of new "cloud-based database management system software", instead of capitalizing the same. As a result, expenditure for the year is overstated and consequently, the profit for the year is understated by an amount of Rs.10.40 lakhs; and the Intangible Assets in the Balance Sheet is understated by the same amount.

However, this software being an intangible asset of an indefinite life period need not be amortized in terms of para (X) of the Ind AS 38. Therefore, there is no effect on the depreceiation/amortization for the year.

# REPLIES OF THE MANAGEMENT

In this connection, it is to inform that mail was received from SECL dated 02-12-2024 that It is confirmed that the contractual obligations against M/S.SECL PO.No.SECL/BSP/MMW/ SEC-I/Rail Car MRS/Bhatgaon/305, dt.16-12-2013 has not been completed and the validity of BG.No.0057815BG0000074 for an amount of Rs.36,33,330/- submitted to SECL against SECL PO.No. SECL/BSP/MMW/SEC-I/Rail Car MRS/Bhatgaon/305, dt.16-12-2013 was not extended by M/s APHMEL, as such the same was encashed by BG section Finance deptt SECL HQ. The same is not a forfeiture of BG due to any penal action as on date and is refundable to APHMEL subject to compliance of all contractual terms.

It is to inform that an order was placed for amount of Rs.10,40,000/- towards development of software and hosting of web application through cloud computing. Payments were made as per order terms.

However, we assure that the subject software expenditure will be capitalized in the financial 2024-25 by passing suitable rectification entries by providing amortization expenditure separately for the year 2023-24 & 2024-25 based on its prescribed life period.

FOR AND ON BEHALF OF THE BOARD

Sd/-(J. NAGARAJU) MANAGING DIRECTOR DIN: 10751743

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF ANDHRA PRADESH HEAVY MACHINERY AND ENGINEERING LIMITED FOR THE YEAR ENDED 31 MARCH 2024.

The preparation of financial statements of Andhra Pradesh Heavy Machinery and Engineering Limited for the year ended 31 March 2024 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the Standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their **Revised Audit Report dated 04.12.2024** which supersedes their earlier Audit Reports dated 12.11.2024 and 18.07.2024.

I, on behalf of the Comptroller and Auditor General of India, have conducted a Supplementary audit of the Financial Statements of Andhra Pradesh Heavy Machinery and Engineering Limited for the year ended 31 March 2024 under Section 143(6)(a) of the Act. This Supplementary audit has been carried out independently without access to the working papers of the Statutory auditors and is limited primarily to inquiries of the Statutory Auditors and the Company personnel and a selective examination of some of the accounting records.

On the basis of my Supplementary Audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors Report under Section 143(6)(b) of the Act.

For and on behalf of the Comptroller and Auditor General of India

#### **Note 2: Material Accounting Policy information:**

#### 2.1. Basis of preparation of financial statements.

#### (a) Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules and the relevant provisions of The Companies Act, 2013 from time to time.

Ind AS 116 was notified by Ministry of Corporate Affairs on 30 March 2019 and it is applicable for annual reporting periods beginning on or after 1<sup>st</sup> April 2019, Ind AS 116 – "Leases" (Ind AS 116) supersedes Ind AS 17 – "Leases". The Company has adopted Ind AS 116 using the prospective approach. The application of Ind AS 116 has resulted into recognition of 'Right-of-Use' asset with a corresponding Lease Liability in the Balance Sheet.

The Company has adopted Ind AS 116 'Leases' effective April 1, 2019 and applied the Standard to its leases, pursuant to which it has reclassified its leased asset as Right-of-Use Assets, if any. The impact on the profit for the year is not material.

The Company has adopted a policy to apply recognition of exemption from Ind AS 116 for Leases for which the underlying asset is of low value leases i.e the amounts payable in respect of Low Value leases up to **Rs.2.00 lakhs/per month** per Asset and the Short-term leases of 12 months or less are fully charged to expense.

#### (b) Basis of Measurement:

The financial statements have been prepared on historical cost basis of measurement, except for

- \* Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments in para 2.2.5)
- \* Defined benefit plans- plan assets measured at fair value;
- \* Inventories at Cost or NRV whichever is lower (refer accounting policy in para no.2.2.9).

#### (c) Functional or presentation currency.

The financial statements are presented in Indian rupees, which is the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest lakh up to two decimal points except otherwise indicated.

#### (d) Use of estimates and judgment;

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis.

#### 2.2 Summary of Accounting Policies:

#### 2.2.1.SYSTEM OF ACCOUNTING OF CERTAIN SPECIFIC CLAIMS:

The Company is following mercantile system of accounting except in the following cases

- i) Insurance claims are accounted on actual receipt basis.
- ii) Claims for liquidated damages against the company, escalation in prices are accounted on payment basis.

#### 2.2.2. Revenue recognition

#### Revenue from sale of Goods and Services

Revenue from Operations is recognised duly adopting the five step model specified in Ind AS 115 to account for revenue arising from contracts with customers and requires that revenue be recognized at an amount that reflects the consideration to which the company expects to be entitled in exchange for transferring goods or services to a customer.

The Company exercises judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers.

#### a) Sale of Goods: Manufactured Items and Services

Sales are recognised when control of the products has been transferred to the customer, being when the products are delivered to the customer and there is no unfulfilled obligation that could affect the customer's acceptance of the products.

Emphasis is also given towards ascertaining the probability of recovery for recognition of the revenue at the inception of the contract. Revenue from these sales is recognised based on the value as per Purchase Order, net of discounts, returns and Goods and Service Tax.

Revenue is measured at the standalone fair value of the consideration received or receivable taking into account contractually defined terms of payment.

The company's obligation to make good the defects claimed during the warranty period is recognised as a provision. A receivable is recognised when the goods are delivered as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

#### b) Rendering of Services

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction is recognized with reference to the stage of completion of the transaction at the end of the reporting period.

#### c) Interest

Interest income is recognised using the Effective Interest Method.

#### 2.2.3a. Property, Plant and Equipment (PPE)

a) Recognition and measurement: Property, Plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditure directly attributable to the

- acquisition of the asset. The Company has elected to apply the optional exemption to use this previous GAAP value as deemed cost at 1st April 2015, the date of transition.
- b) Depreciation on property, plant and equipment, except freehold land, is provided as per cost model on straight line basis over the estimated useful lives of the asset as per the Schedule II of the Companies Act,2013 except assets whose actual cost does not exceed Rs.5000/- are depreciated on the basis of estimated life 1 year, which is lower than specified in Schedule-II. The estimated useful life of the assets is reviewed at the end of each financial year.
- c) When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognised in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of the asset and the resultant gains or losses are recognised in the statement of profit and loss.

#### 2.2.3b. Leases:

- a) Ind AS 116 will affect primarily the accounting by lessees and will result in the recognition of almost all leases on balance sheet. The standard removes the current distinction between operating and finance leases and requires recognition of an asset (the right-of-use the leased item) and a financial liability to pay rentals for virtually all lease contracts. An optional exemption exists for short-term and low-value leases.
- b) The company has reviewed all the leasing arrangements in light of the new lease accounting rules in Ind AS 116. The standard will affect primarily the accounting for the company leases. The Company evaluates at the inception of a contract, whether the contract is, or contains, a lease, if the contract conveys the right to control the use of an identified Asset. Identification of a lease requires significant judgment. The cost of the right to use asset shall comprise of the amount. The Company determines the lease term as the non-cancellable period of a lease together with the periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option. In the absence of the interest rates implicit in the Contracts, the Company adopts incremental borrowing rate as the discount rate.
- c) Lease liability is initially recognised and measured at an amount equal to the present value of lease payments to be made during the lease term and corresponding amount is recognized as Right of Use Asset which is measured at cost. The lease liability is measured in subsequent periods using the effective interest rate method. The right-of-use asset is depreciated over the lease term on straightline basis.
- d) Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.
- e) The company has lease hold land, which is having low value lease consideration. Therefore the company has not applied IND AS-116 recognition and its requirements to the leased hold land and applied the recognition of exemption under Ind AS 116. As the amounts payable in respect of Low Value leases up to Rs.2.00 lakhs/per month per Asset and the Short term leases of 12 months or less are fully charged to expense.

#### 2.2.4. Impairment of Assets (Non-financial assets)

The company assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the group estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount and the impairment loss is recognized in the Statement of Profit and Loss.

#### 2.2.5. Financial Instruments

#### a) Classification:

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

#### b) Initial Measurement:

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset/liability (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets/liabilities. While, loans and borrowings and payable are recognised net of directly attributable transaction costs.

#### c)Subsequent Measurement:

For the purposes of subsequent measurement, financial instruments of the Company classified in the following categories non-derivative financial assets comprising amortised cost, non derivative financial liabilities at amortised cost.

a) Non-derivative financial assets:

#### Financial assets at amortised cost.

- a) Financial asset shall be measured at amortized cost if both of the following conditions are met:
  - i) The financial asset is held with a business model whose objective is to hold financial Assets in order to collect contractual cash flows; and
  - ii) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment losses.

Financial Assets at amortized cost are represented by security deposits, cash and equivalents, trade receivables & similar nature and eligible current and non-current assets.

#### b) Non-derivative financial liabilities at amortized cost

Financial liabilities at amortized cost represented by trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

#### 2.2.6. Impairment of financial assets (other than fair value)

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increase significantly,12-month ECL is used to provide for impairment loss. However if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

Lifetime ECL's are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e all shortfalls). Discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- i) All contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal)recognised during the period is recognised as income / expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below.

Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount, Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

#### 2.2.7. Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the statement of profit and loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

#### A. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis to realise the asset and liabilities simultaneously.

#### **B.** Deferred Income tax

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred income tax liabilities are recognised for all taxable temporary differences. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

#### 2.2.8. Employee Benefits

#### a) Short-term Benefits

All short term employee benefits are recognized in the period in which they are incurred.

#### b) Post-employment benefits and other long term employee benefits

#### i) Defined contributions plans

Employer's contribution under Provident fund Act and ESI are defined contribution plans and the expenditure / provision on the above is charged to statement of profit & loss.

#### ii) Defined benefits plans

- a) Gratuity: Gratuity is defined benefit scheme. The cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined benefit obligations as reduced by the fair value of scheme assets.
- b) Leave encashment is provided based on actuarial valuation carried out at each balance sheet date.
- c) Re-measurement of the net defined benefit liability, which comprise actuarial gain and losses considering the return on plan assets (excluding interest) and the effects of the assets ceiling (if any, excluding interest) are recognised immediately in the other comprehensive income in case of post-employment defined benefit plans. Net interest expense and other expenses related to defined benefit plans are recognised in profit and loss.
- d) When the benefits of the plan are improved, the portion of the increased benefit relating to past service by employees is recognised as expense immediately in the statement of profit and loss.

#### 2.2.9. Inventories

i) Inventories are valued at cost on Weighted Average basis.

- ii) Finished goods and work-in-progress are valued at lower of cost or market value whichever is less.
- iii) Scrap is valued at market price.
- iv) Stationeryis accounted as expenditure in the year of purchase.
- v) Provision for slow, non-moving and obsolescence is made annually on review of stores and spares.

#### 2.2.10. Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made.

Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

All provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. The discount rate is a pre-tax rate that reflects current market assessments of the time value of money and risk specific to the liability.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the company, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

#### 2.2.11. Earnings per share

Basic and Diluted earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period.

#### 2.2.12. Provision for warranties:

The Company provides warranty cost at 1% of the revenue progressively as and when it recognizes the revenue and maintain the same through out the warranty period

#### 2.2.13.Materiality

Ind AS applies to items which are material. Management uses judgment in deciding whether individual items or groups of item are material in the financial instruments. Materiality is judged by reference to the size and nature of the item. The deciding factor is whether omission or misstatement could individually or collectively influence the economic decisions that users make on the basis of the financial statements. Management also uses judgment of materiality for determining the compliance requirement of the Ind AS. In particular circumstances either the nature or the amount of an item or aggregate of items could be the determining factor. Further an entity may also be required to present separately immaterial items when required by law.

## FVTPL - Fair Value through Profit & Loss A/c

## **FVTOCI- Fair Value through Other Comprehensive Income**

#### B. Fair value hierarchy

Table below shows Judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

- **Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price and are valued using the closing NAV.
- **Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- **Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, preference shares borrowings, security deposits and other liabilities taken included in level 3.

#### (c) Valuation technique used in determining fair value

Valuation techniques used to value financial instruments include:

- The use of quoted market prices of instruments
- The fair value of the remaining financial instruments is determined using discounted cash flow analysis.

#### (d) Fair value measurements using significant unobservable inputs

At present there are no fair value measurements using significant unobservable inputs.

Fair values of financial assets and liabilities measured at amortised cost

- The carrying amounts of trade receivables, short term deposits, cash and cash equivalents, trade payables are considered to be the same as their fair values, due to their short-term nature.
- > Other Financial assets accounted at amortised cost are not carried at fair value only if same is not material.
- The Company considers that the security deposit does not include a significant financing component. The milestone payments (security deposits) coincide with the company's performance and the contract requires amounts to be retained for reasons other than the provision of finance. The with holdings of a specified percentage of each milestone payment is intended to protect the interest of the company, from the contractor failing to adequately complete it obligations under the contract. Accordingly transaction cost of security deposit is considered as fair value at initial recognition and subsequently measured at amortised cost.

> Significant estimates: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. uses its judgment to select a method and makes suitable assumptions at the end of each reporting period.

#### 2. RISK ANALYSIS AND MANAGEMENT

#### Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables directly related to its operations. The main purpose of these financial liabilities is to finance the company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that are derived directly from its operations.

The company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

#### 5) LEASE UNDER IND AS-116 :

The objective of the Ind AS 116 is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the **underlying asset is of low value**. Under Ind AS 116 lessees have to recognize a lease liability reflecting future lease payments and a 'right-of-use asset' for almost all lease contracts. Under Ind AS 116, a contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

- **a) APHMEL** has lease hold land, which is having low value lease consideration. As per the Accounting Policy of the company.
- b) The Company has not applied IND AS-116 recognition and its requirements to the leased hold land and applied the recognition of exemption under Ind AS 116.
- c) The amount payable is up to **Rs.2.00 lakhs/per month** per Asset which are treated as Low Value leases.
- d) The Short-term leases of 12 months or less are fully charged to expense.

#### 5.1 Government Grants

**APHMEL** has not received any grants from Government.
